INSURANCE.

THE MYSORE STATE LIFE INSURANCE—FAMILY PENSION BRANCH.

Dated 15th October 1914.

As sanctioned in Government Order No. Fl. 4906—B. 33-09-6, dated 18th March 1911, a Family Pension Branch was started as an adjunct to the Mysore State Life Insurance Scheme under separate Rules and has been in operation from August 1911. All employees of the Government who are eligible for life insurance may secure substantial pensions to their parents, wife, children and certain other relations by paying additional monthly subscriptions. For example an employee whose present age is twenty-five years, may secure a life pension of Rs. 5 payable from the date of his death, to his wife whose present age is 18, by paying a monthly subscription of Rs. 1-7-9. Similarly a monthly pension of Rs. 5 payable from the date of death of the subscriber to the date on which his son attains his 21st year or his daughter attains her 18th year or marries, may be secured to a son or daughter whose present age is 5 years, by paying a monthly subscription of Re. 0-11-7.

As a concrete instance of the benefits of the fund, the following case may be mentioned. An officer joined the Family Pension Branch as a subscriber in August 1913, the monthly subscription payable by him being Rs. 17-10-10. He died in September 1914, having paid subscriptions to the extent of Rs. 230. The following pensions are payable to his nominees :—

Monthly. Mother Rs. 10, wife Rs. 20, both for life. Each of his 4 daughters Rs. 10, till they attain their 18th year or marry.

There are reasons to believe that the existence of this Branch of the State Life Insurance office and its benefits are not known to many Government employees. Every one interested is requested to obtain a copy of detailed rules by applying to the Secretary to the Mysore State Life Insurance Committee, Bangalore.

J. S. CHAKRAVARTI,
Secretary,
Insurance Committee.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III and IV should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

5. Under Government Proceedings No. G. 622-32—G. M. 74-10-36, dated 27th July 1911 and Government Proceedings No. G. 4914-23—G. 6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the English or the Kanarese portion of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance.*

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

INSURANCE.

THE MYSORE STATE LIFE INSURANCE—FAMILY PENSION BRANCH.

Dated 15*th October* 1914.

As sanctioned in Government Order No. Fl. 4906—B. 33-09-6, dated 18th March 1911, a Family Pension Branch was started as an adjunct to the Mysore State Life Insurance Scheme under separate Rules and has been in operation from August 1911. All employees of the Government who are eligible for life insurance may secure substantial pensions to their parents, wife, children and certain other relations by paying additional monthly subscriptions. For example an employee whose present age is twenty-five years, may secure a life pension of Rs. 5 payable from the date of his death, to his wife whose present age is 18, by paying a monthly subscription of Rs. 1-7-9. Similarly a monthly pension of Rs. 5 payable from the date of death of the subscriber to the date on which his son attains his 21st year or his daughter attains her 18th year or marries, may be secured to a son or daughter whose present age is 5 years, by paying a monthly subscription of Re. 0-11-7.

As a concrete instance of the benefits of the fund, the following case may be mentioned. An officer joined the Family Pension Branch as a subscriber in August 1913, the monthly subscription payable by him being Rs. 17-10-10. He died in September 1914, having paid subscriptions to the extent of Rs. 230. The following pensions are payable to his nominees :—

Monthly. Mother Rs. 10, wife Rs. 20, both for life. Each of his 4 daughters Rs. 10, till they attain their 18th year or marry.

There are reasons to believe that the existence of this Branch of the State Life Insurance office and its benefits are not known to many Government employees. Every one interested is requested to obtain a copy of detailed rules by applying to the Secretary to the Mysore State Life Insurance Committee, Bangalore.

MISCELLANEOUS.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III and IV should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the English or the Kanarese portion of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance.*

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

THE MYSORE IMPERIAL SERVICE LANCERS' WAR FUND.

Gentlemen,

The war that is now being waged in Europe and other parts of the world is the most terrible ever known to history. The conditions under which the rival armies are fighting in the various quarters of the globe are novel and unprecedented and the privations and sufferings of the combatants are very severe. In order to alleviate these hardships, many private funds have been started and liberally subscribed to both by belligerent nations and neutrals.

One of our own Cavalry Regiments has, for the first time in the history of Mysore, gone across the seas, the dreadful *kalapani*, to a foreign country to shed its blood for the Empire. It is a year since they left us, and all this time the officers and men have been away from their homes and families. An Indian need not be told what it means to be away from his home and his native village for a year, with very little prospect of returning for sometime to come, if he returns at all. Our Mysore Regiment has been stationed for the present in Egypt for the important duty of guarding the Suez Canal and repelling any Turkish invasion of Egypt. Many of you may have heard that our men have already had an engagement with the enemy. In this skirmish, despite the fact that they had been out-numbered and surprised, our troops behaved with great gallantry, and one of their officers Resaldar Subbaraja Urs was awarded the Indian D. S. O. medal by His Majesty These men have shewn that they can uphold the Military traditions of Mysore and are deserving of every support we can give them. Serving in a foreign land and among a strange people, and living under camp conditions, their hardships are many, as the prices of all supplies are very high and no money can procure for them many of the comforts and necessaries which they were accustomed to in India. Even should they be able to buy them there, they would not possess the same charm to them as things received direct from home, and we must not forget the pleasure which they will derive from the thought that they have not been forgotten by their friends and compatriots at home. We cannot fully realise this, but if we do, however inadequately it may be, and exercise a little generosity, we can greatly add to the material comfort and happiness of our brave comrades at the front. With a view to providing them with some small necessaries and comforts from home, a Fund called THE MYSORE IMPERIAL SERVICE LANCERS' WAR FUND has been started in Mysore, and I now appeal to every patriot and every one who has a heart in him and can appreciate the bravery of these men and the depth of their sacrifice, to subscribe to this fund according to his means.

The Fund will be under the patronage of HIS HIGHNESS THE MAHARAJA, and will be managed by a Committee with myself as President; the utmost care will be taken to see that the money subscribed is properly spent. Subscriptions of all amounts will be gratefully received; these may be paid either to the Treasurer, the Mysore Imperial Service Lancers' War Fund, The Palace, Bangalore, or into the Government Treasuries or the Bank of Mysore. All subscribers are requested to demand a printed receipt from the persons to whom they pay their subscriptions. The names of all subscribers with the amount of their subscriptions will be published in the weekly Government Gazette and other local papers.

K. NARASIMHARAJA WADIYAR.

Any contributions from the women of Mysore in the shape of woollen socks, jackets, mufflers, etc., will be found extremely useful and will be gratefully accepted.

Chikmagalur, dated 30th August 1915.
Tarikere, dated 30th August 1915.
Mudgere, dated 29th July 1915.
Narasimharajapura, dated 20th August 1915.
Koppa, dated 27th August 1915.
Kadur, dated 30th August 1915.

Recorded.

V. Read Revenue Department Secretary's letter No. 1450-68, dated 17th August 1915, authorising all District Boards to subscribe without reference to Government for a copy of each of the monthly Journal entitled "The Local Self-Government Gazette" published in Madras.

Resolution.—Resolved that a sample copy of the Gazette be obtained before finally deciding to subscribe for it.

VI. Read Revenue Department Secretary's letter No. 2012-6—L. B. 32-15-1, dated 9th September 1915, calling for the views of the District Board in the matter of the levy of a Railway Cess and the formation of a fund to guarantee interest on loans to be raised for the construction of railway lines in the district.

Resolution.—All the Taluk Boards in the district except that of Chikmagalur are not agreeable to the levy of a Railway cess if only the line from Kadur to Chikmagalur is constructed as people of other taluks do not derive much benefit from it. If, however, provision be made at the same time for construction of a Railway line from Chikmagalur to Mudgere and on to Saklespur and a Tramway from Narasimharajapura to Koppa and on to Sringeri the levy of a Railway cess in all parts of the district becomes equitable and is not likely to be objected to by the people. As the construction of these lines involves heavy expenditure, a cess of half anna in the rupee will be quite inadequate to guarantee interest on loans to be raised for the purpose. The Board therefore is of opinion that after consulting the different Taluk Boards in the matter a cess of one anna in the rupee may be levied if railway facility be provided as indicated above.

VII. Read Special Revenue Officer's letter No. 117, dated 15th August 1915, forwarding a copy of letter No. 752, dated the 2nd August 1915, from the Senior Surgeon with the

Government of Mysore, *in re* the establishment of a dispensary at Balur, Mudgere Taluk and enquiring whether the District Board is prepared to meet the charges of the dispensary.

Resolution.—The question of opening a dispensary at Balur is long engaging the attention of the Board. They are convinced of the necessity of opening a dispensary at the place. As the state of the finances of the District Board did not permit of an allotment being made for this purpose, this question was taken up by the Malnad Improvement Committee for needful action. It was therefore, resolved that the Government be requested to provide funds for it out of the Malnad Improvement Funds to which this is a legitimate charge.

VIII. Read correspondence ending with Senior Surgeon's docket No. 610, dated 27th July 1915, regarding the establishment of maternities in Chikmagalur, Koppa and Mudgere.

Resolution.—The Board recognise the necessity and great usefulness of these institutions at all the above three places. Two-thirds of the recurring charges of the maternity at Chikmagalur are being met out of District Funds, the remaining one-third being paid by the Chikmagalur Municipality. The Board is accordingly agreeable to bear its quota of additional expenditure involved in the revision of the establishment of this maternity. As regards maternities to be established at Koppa and Mudgere, they regret their inability to bear their quota of recurring charges in the present unsatisfactory state of their finances. They are of opinion that these charges may appropriately be met out of the Malnad Improvement Funds, the extension of Medical relief being one of the primary objects of that scheme.

IX. Read letter, dated August 1915, from Mr. H. Godwin Bower and others requesting to move the Government again in the matter of maintaining the Handy-Baskal road out of District Funds.

Resolution.—This road was opened out by Mr. R. W. Fremlin of Doddanadudda Estate and improved subsequently by him at a great cost on the promise held out by the District Board in 1910, that it would be taken over for maintenance out of District Funds of certain defects pointed out by the D. P. W. Sub-Division Officer be rectified and the road thrown open for public use. As it was reported by the Amildar of Mudgere that Mr. Fremlin had improved the road and thrown it open for public use as desired by the Board it was resolved in February 1915, that the road be taken over for maintenance out of District Funds. A recommendation was sent to Government accordingly but the Government declined to sanction the proposal as they considered the road to be not one of public utility. Now Mr. Fremlin draws the attention of the Board to their promise and states that the road is of great public utility besides providing an outlet for nine coffee estates. The Board considered the road to be of sufficient public utility when they made the promise and hold the same opinion still. It was, therefore, resolved that the Government be requested to reconsider the matter and accord sanction to the maintenance of the road out of District Funds in view of the fact that the Board is under a moral obligation to take it over for maintenace in consequence of their promise.

X. Read Executive Engineer's letter No. 134, dated 19th July 1915, regarding the increase of the mileage grant to Aldur-Handy road from Rs. 30 to Rs. 50 per mile.

Resolution.—Resolved that the Executive Engineer be requested to furnish a list of District Fund roads requiring the enhanced mileage grant.

XI. Read Government Order No. 11930-4—L. B. 96-13-8, dated 28th May 1914, sanctioning the entertainment of the temporary establishment for the purpose of collecting tolls at the toll gate near Kaimara at the commencement of the Bababudan Hill road, for one year from 1st October 1914.

Resolution.—The temporary establishment is sanctioned only up to the end of September 1915. The question whether this toll gate is to be made permanent is pending orders of Government. A recommendation may, therefore, be made to Government for retaining the establishment up to the end of the official year or the date of the abolition of the toll gate if so ordered.

INSURANCE.

THE MYSORE STATE LIFE INSURANCE—FAMILY PENSION BRANCH

Dated 15th October 1914.

As sanctioned in Government Order No Fl. 4906—B 33-09-6, dated 18th March 1911, a Family Pension Branch was started as an adjunct to the Mysore State Life Insurance Scheme under separate Rules and has been in operation from August 1911. All employees of the Government who are eligible for life insurance may secure substantial pensions to their parents, wife, children and certain other relations by paying additional monthly subscriptions. For example an employee whose present age is twenty-five years, may secure a life pension of Rs 5 payable from the date of his death, to his wife whose present age is 18, by paying

a monthly subscription of Rs. 1-7-9. Similarly a monthly pension of Rs. 5 payable from the date of death of the subscriber to the date on which his son attains his 21st year or his daughter attains her 18th year or marries, may be secured to a son or daughter whose present age is 5 years, by paying a monthly subscription of Re. 0-11-7.

As a concrete instance of the benefits of the fund, the following case may be mentioned An officer joined the Family Pension Branch as a subscriber in August 1913, the monthly subscription payable by him being Rs. 17-10-10. He died in September 1914, having paid subscriptions to the extent of Rs. 230. The following pensions are payable to his nominees :—

Monthly. Mother Rs. 10, wife Rs. 20, both for life. Each of his 4 daughters Rs. 10, till they attain their 18th year or marry.

There are reasons to believe that the existence of this Branch of the State Life Insurance office and its benefits are not known to many Government employees. Every one interested is requested to obtain a copy of detailed rules by applying to the Secretary to the Mysore State Life Insurance Committee, Bangalore.

THE MYSORE IMPERIAL SERVICE LANCERS' WAR FUND.

Gentlemen,

The war that is now being waged in Europe and other parts of the world is the most terrible ever known to history. The conditions under which the rival armies are fighting in the various quarters of the globe are novel and unprecedented and the privations and sufferings of the combatants are very severe. In order to alleviate these hardships, many private funds have been started and liberally subscribed to both by belligerent nations and neutrals.

One of our own Cavalry Regiments has, for the first time in the history of Mysore, gone across the seas, the dreadful *kalapani*, to a foreign country to shed its blood for the Empire. It is a year since they left us, and all this time the officers and men have been away from their homes and families. An Indian need not be told what it means to be away from his home and his native village for a year, with very little prospect of returning for sometime to come, if he returns at all. Our Mysore Regiment has been stationed for the present in Egypt for the important duty of guarding the Suez Canal and repelling any Turkish invasion of Egypt. Many of you may have heard that our men have already had an engagement with the enemy. In this skirmish, despite the fact that they had been out-numbered and

surprised, our troops behaved with great gallantry, and one of their officers Resaldar Subbaraja Urs was awarded the Indian D. S. O. medal by His Majesty. These men have shewn that they can uphold the Military traditions of Mysore and are deserving of every support we can give them. Serving in a foreign land and among a strange people, and living under camp conditions, their hardships are many, as the prices of all supplies are very high and no money can procure for them many of the comforts and necessaries which they were accustomed to in India. Even should they be able to buy them there, they would not possess the same charm to them as things received direct from home, and we must not forget the pleasure which they will derive from the thought that they have not been forgotten by their friends and compatriots at home. We cannot fully realise this, but if we do, however inadequately it may be, and exercise a little generosity, we can greatly add to the material comfort and happiness of our brave comrades at the front. With a view to providing them with some small necessaries and comforts from home, a Fund called THE MYSORE IMPERIAL SERVICE LANCERS' WAR FUND has been started in Mysore, and I now appeal to every patriot and every one who has a heart in him and can appreciate the bravery of these men and the depth of their sacrifice, to subscribe to this fund according to his means.

The Fund will be under the patronage of HIS HIGHNESS THE MAHARAJA, and will be managed by a Committee with myself as President; the utmost care will be taken to see that the money subscribed is properly spent. Subscriptions of all amounts will be gratefully received; these may be paid either to the Treasurer, the Mysore Imperial Service Lancers' War Fund, The Palace, Bangalore, or into the Government Treasuries or the Bank of Mysore. All subscribers are requested to demand a printed receipt from the persons to whom they pay their subscriptions. The names of all subscribers with the amount of their subscriptions will be published in the weekly Government Gazette and other local papers.

K. NARASIMHARAJA WADIYAR.

Any contributions from the women of Mysore in the shape of woollen socks, jackets, mufflers, etc., will be found extremely useful and will be gratefully accepted.

INSURANCE.

THE MYSORE STATE LIFE INSURANCE—FAMILY PENSION BRANCH.

Dated 15th October 1914.

As sanctioned in Government Order No. Fl. 4906—B. 33-09-6, dated 18th March 1911, a Family Pension Branch was started as an adjunct to the Mysore State Life Insurance Scheme under separate Rules and has been in operation from August 1911. All employees of the Government who are eligible for life insurance may secure substantial pensions to their parents, wife, children and certain other relations by paying additional monthly subscriptions. For example an employee whose present age is twenty-five years, may secure a life pension of Rs. 5 payable from the date of his death, to his wife whose present age is 18, by paying a monthly subscription of Rs. 1-7-9. Similarly a monthly pension of Rs. 5 payable from the date of death of the subscriber to the date on which his son attains his 21st year or his daughter attains her 18th year or marries, may be secured to a son or daughter whose present age is 5 years, by paying a monthly subscription of Re. 0-11-7.

As a concrete instance of the benefits of the fund, the following case may be mentioned. An officer joined the Family Pension Branch as a subscriber in August 1913, the monthly subscription payable by him being Rs. 17-10-10. He died in September 1914, having paid subscriptions to the extent of Rs. 230. The following pensions are payable to his nominees :—

Monthly. Mother Rs. 10, wife Rs. 20, both for life. Each of his 4 daughters Rs. 10, till they attain their 18th year or marry.

There are reasons to believe that the existence of this Branch of the State Life Insurance office and its benefits are not known to many Government employees. Every one interested is requested to obtain a copy of detailed rules by applying to the Secretary to the Mysore State Life Insurance Committee, Bangalore.

Secretary,
Insurance Committee.

THE MYSORE IMPERIAL SERVICE LANCERS' WAR FUND.

Gentlemen,

The war that is now being waged in Europe and other parts of the world is the most terrible ever known to history. The conditions under which the rival armies are fighting in the various quarters of the globe are novel and unprecedented and the privations and sufferings of the combatants are very severe. In order to alleviate these hardships, many private funds have been started and liberally subscribed to both by belligerent nations and neutrals.

One of our own Cavalry Regiments has, for the first time in the history of Mysore, gone across the seas, the dreadful *kalapani*, to a foreign country to shed its blood for the Empire. It is a year since they left us, and all this time the officers and men have been away from their homes and families. An Indian need not be told what it means to be away from his home and his native village for a year, with very little prospect of returning for sometime to come, if he returns at all. Our Mysore Regiment has been stationed for the present in Egypt for the important duty of guarding the Suez Canal and repelling any Turkish invasion of Egypt. Many of you may have heard that our men have already had an engagement with the enemy. In this skirmish, despite the fact that they had been out-numbered and surprised, our troops behaved with great gallantry, and one of their officers Resaldar Subbaraja Urs was awarded the Indian D. S. O. medal by His Majesty. These men have shown that they can uphold the Military traditions of Mysore and are deserving of every support we can give them. Serving in a foreign land and among a strange people, and living under camp conditions, their hardships are many, as the prices of all supplies are very high and no money can procure for them many of the comforts and necessaries which they were accustomed to in India. Even should they be able to buy them there, they would not possess the same charm to them as things received direct from home, and we must not forget the pleasure which they will derive from the thought that they have not been forgotten by their friends and compatriots at home. We cannot fully realise this, but if we do, however inadequately it may be, and exercise a little generosity, we can greatly add to the material comfort and happiness of our brave comrades at the front. With a view to providing them with some small necessaries and comforts from home, a Fund called THE MYSORE IMPERIAL SERVICE LANCERS' WAR FUND has been started in Mysore, and I now appeal to every patriot and every one who has a heart in him and can appreciate the bravery of these men and the depth of their sacrifice, to subscribe to this fund according to his means.

The Fund will be under the patronage of HIS HIGHNESS THE MAHARAJA, and will be managed by a Committee with myself as President; the utmost care will be taken to see that the money subscribed is properly spent. Subscriptions of all amounts will be gratefully received; these may be paid either to the Treasurer, the Mysore Imperial Service Lancers' War Fund, The Palace, Bangalore, or into the Government Treasuries or the Bank of Mysore. All subscribers are requested to demand a printed receipt from the persons to whom they pay their subscriptions. The names of all subscribers with the amount of their subscriptions will be published in the weekly Government Gazette and other local papers.

K. NARASIMHARAJA WADIYAR.

Any contributions from the women of Mysore in the shape of woollen socks, jackets, mufflers, etc., will be found extremely useful and will be gratefully accepted.
